BOLERO - the ultimate highlight

"Bolero": Outstanding even among high-quality cutlery sets.

The blade is made of hardened steel and forged in a special procedure before it is joined to the handle - a standard feature of all our top-quality knives. The exceptional characteristic of this cutlery series is the fact that all items consist of two parts: the hollow handle and the hardened front part. No other cutlery flatters your touch like Bolero. We are glad to supply you with samples.
